CHELSEA
IN BLOOM

We are celebrating this year's Chelsea in Bloom with a beautiful 'Birth of Venus' themed floral installation as well as a special dessert and selection of signature cocktails. A fun and eye-catching take on the famous 'Birth of Venus' painting from Botticelli, Harry's Dolce Vita's 'Under the Sea' display will feature an interactive element which will allow guests to pose as Venus sitting on a life-size clam shell, providing the perfect photo moment.
